

# DON'T REBUKE IN HATE

**Love Thy Neighbor and, no *Lashon Hara*.  
Sign up at [www.iyar26.com](http://www.iyar26.com) to uphold the  
Rebbe's precept, *Iyar 26 Hayom Yom*.**

**Iyar 26 Hayom Yom:** The command "You shall rebuke" is preceded by the words, "You shall not hate your brother," for this is a precondition for the rebuke. The Torah continues, "...and you shall not ascribe sin to him," for if the rebuke was ineffectual, you are certainly the one responsible, for yours were not words coming from the heart.

***PLEASE SIGN OUR PETITION at [www.iyar26.com](http://www.iyar26.com).***

Please make a commitment of acceptance of this amazing *Hayom Yom* from the Rebbe; think of how you can introduce this into your life when you react to other people in person or in conversation about others, in thought, in speech, and in deed ("garments of the soul").

I'm Avraham Yaakov ben David HaLevi and I am part of a local Northern California Chabad community (ChabadNP.com). I have been inspired by the Torah for more than 26 years. *Tikkun olam* and the *mitzvah* of Love Thy Neighbor as Thyself are concepts I feel are undeniably the most important practices in compassion for all people. With prayer, inspiration and certainly, over the last 10 years, I became Torah observant and now *shomer Shabbos* through the support of many amazing Rabbis and *mazel*.

I have studied Torah with Chabad and was personally drawn to this special wisdom of Lubavitcher Rebbe's *Iyar 26 Hayom Yom* and felt it embodied an impactful solution that creates grace and removes judgement in our lives. I created the [iyar26.com](http://www.iyar26.com) website to share the Rebbe's *Iyar 26 Hayom Yom* and to ask for you to please sign my petition in support of this simple concept. As you practice *Iyar 26's* message, you open yourself to Hashem's presence and blessing and reduce judgement around you. Change THE world by changing YOUR world.

**PLEASE SIGN THE PETITION TODAY: SHARE IT WITH FRIENDS & COMMUNITY ON SOCIAL MEDIA**
